From the conquest of nearly the whole known world of the Islamic First Jihad, to Ahmadinejad, the 1400 year goal has remained the same: “Do not doubt Allah will prevail, and Islam will conquer mountaintops of the entire world.”. The dar el salaam, or house of peace, conquest of the dar el harb, or house of war. If you are a non-Muslim you may not be at war against Islam, but Islam has been at war against you for fourteen hundred years. No surprise that they lust after the kingdoms of this world, since these kingdoms became Satan’s legal possession at Adam’s fall. In stark contrast, Christians are specifically called out of these earthly kingdoms, and into the kingdom of God.

Many Muslims put on a facade of being peaceful Mecca style Muslims when around non-Muslims, in areas where Islam is not in control, but become militant Mohammed-Medina style Muslims, when in the company of their own, or in countries controlled by Islam.

Is it reasonable to suggest that the Muslims that preach peace will be the ones that prevail in Islam, or will it continue to be the ones that would cut the heads off of those who preach peace, believing them to be apostate? Even now we see Sunni and Shiite murder of each others innocent men, women, and children, for believing each other to be apostate. Some Muslim fathers behead their own daughters and wives as a means of preserving their “honor”.

It is obvious that violent Muslims will remain in control of Islam, but primarily because they are the ones that most closely follow Mohammed’s example, as detailed through the Quran and Hadith.

Sura 9:123 O ye who believe! fight the unbelievers...

It was prophesied from mankind’s beginnings:

Genesis 16:11 And the angel of the LORD said unto her, Behold, thou [art] with child, and shalt bear a son, and shalt call his name Ishmael; because the LORD hath heard thy affliction. 12 And he will be a wild man; his hand [will be] against every man, and every man's hand against him; and he shall dwell in the presence of all his brethren.

The most violent thing that Jesus did was overturn the tables of the moneychangers.

U.S. mosques become radicalized within a few week visit by clerics from their Saudi Wahabi financier/founders. Some U.S. mosques receive direct Saudi funds for each American “convert” which they verify with the mosque’s video surveillance system. Though fortunately, in the U.S. about 75% of so-called converts, leave Islam within three years. However in some Islamic countries, under Islamic sharia law, the risk for leaving Islam is death, though that can be the punishment even in Western countries like Canada.

If Islam were a peaceful religion, how can the rape, pillage, plunder and sexual enslavement of the Islamic First Jihad, imperialistic conquest all the way up into France, be explained? Or the over 12,000 deadly Islamic terror attacks around the world, just since 9-11, as logged by the folks at thereligionofpeace.com?

Matthew 7:17 Even so every good tree bringeth forth good fruit; but a corrupt tree bringeth forth evil fruit.

Whether the Islamic First Jihad, the Islamic Mufti of Jerusalem shoulder to shoulder with Hitler in genocide of Jews, the beheading of teenage girls on their way to Christian school in Indonesia, hotel murders in India, train bombings in Spain, the two million slain in the Sudan, or those murdered in Nigeria and throughout most of the rest of Africa, it is obviously utterly absurd to suggest that this 1400 year reign of terror has anything whatsoever to do with Israel or Zionism.

The hadith, however, does a good job of explaining Islamic hatred of Jews:

“Jews will hide behind the rock and tree, and the rock and tree will say: ‘oh servant of Allah, oh Muslim, there is a Jew behind me, come and kill him!’”

In part 1 we learned that Mohammed's "Allah" curses Christians for recognizing the Son of God.

1 John 2:22 Who is a liar but he that denieth that Jesus is the Christ? He is antichrist, that denieth the Father and the son. 23 Whosoever denieth the son, the
same hath not the father...:

The most important fundamental in Islam is “shirk”, is manifest specifically in denial that God has a Son. There is no greater sin in Mohammed’s religion than to believe that Jesus Christ is the Son of God. So Mohammed and those that follow him are perfectly antichrist as the single most important tenant of their religion. Many Muslims falsely believe they follow Jesus but:

2John 1:9 Whosoever transgriesseth, and abideth not in the doctrine of Christ, hath not God. He that abideth in the doctrine of Christ, he hath both the Father and the Son.

Of even more importance, of course, is Mohammed’s specific denial that Jesus died on the Cross, thereby denying ALL of the New Testament prophets and apostles, and the whole subject of the new covenant, that brought salvation through the shed blood of Jesus Christ.

Mohammedans reject God’s record:

1John 5:10 He that believeth on the Son of God hath the witness in himself: he that believeth not God hath made him a liar; because he believeth not the record that God gave of his Son.

They reject the record God gave us in direct contradiction to even their own book. Over 5300 partial or complete manuscripts of God’s Word were penned prior to 300AD, in virtually every known language. Yet even hundreds of years after that establishment Mohammed wrote:

Sura 4:136 - O ye who believe! Believe in Allah and His messenger and the Scripture which He hath revealed unto His messenger, and the Scripture which He revealed aforetime. Whoso disbelieveth in Allah and His angels and His scriptures and His messengers and the Last Day, he verily hath wandered far astray.

It is stunning to note that for 1400 years, and in the world today 1.5 billion people - 1/4 of mankind - follow a single 6th century, pillaging, plundering, murdering, sex slave capturing, false prophet, that was, and taught, the opposite of Jesus Christ.

A false prophet whose 23 year record of recitations is the direct opposite of the 1600 year record of God to us. The only anti-another-religion, religion, by design.

Interestingly, the two views of the book of Revelation, most popular in the 20th century church, both necessarily preclude that Mohammed could be THE false prophet mentioned. Yet each of these views must recognize the other to be virtually 100% in error, as there is a 1900 year time span that divides them.

However, when we apply the traditional continuous-historic context, through which Christians and Jews universally understand the book of Daniel, and his lion, bear and leopard “beast” kingdoms, to the book of Revelation, Islam comes sharply into focus as the end-time foe of God’s people, and Mohammed as the false prophet that John prophesied.

Jesus warned the pharisees in regard to letting tradition trump the Word of God:

Mark 7:13 Making the word of God of none effect through your tradition, which ye have delivered: and many such like things do ye.

It would seem that, in part because of unsound eschatology, the church has been blinded to 1.5 billion Muslims, deceived in the spirit of antichrist. Tragically, when Muslims witness the pope kissing the Quran, or the ecumenical movement of an increasingly apostate church (2Thess 2:3), they are encouraged to remain under the delusion they suffer at the hand of their false prophet. The Pope passed up a truly historic opportunity to give a Ronald Reagan style “evil empire” speech, and instead capitulated to the Mohammedans demands for apology, it would seem, to avoid persecution. At least it's hard to imagine that the Pope could be that ignorant regarding the content of the Quran.

A completely different context through which to view Revelation must be considered on its own merit, rather than trying to wring snippets of it through a partial-preterist or futurist doctrine that we may presently hold. For those bold enough in Jesus Christ to consider a fresh look at bible prophecy, within a traditional context, please read “The False Prophet”, available absolutely free at beholdthebeast.com For almost thirty years the author, Ellis Skolfield, has written about the central role of Islam, as the end-time foe of God’s people in bible prophecy, through sound exegesis of Daniel and Revelation. May God bless you and lead us all, in all truth. Jesus IS truth.

John 14:6 Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.
